Council Chairman Joseph Satkowski asks Second Ward residents interested in being named to a council vacancy to submit their name to borough secretary **Ann** Baclawsky at the municipal building before Monday, Jan. 6.

Council will hold a special meeting Jan. 6 to appoint a member of council to represent the Second Ward and fill the vacancy created last week when Robert Mullen resigned to accept council's appointment as mayor of Avoca. He was appointed to serve until January 2004, on motion by Councilwoman Maryann Tigie. Third Ward, seconded by Councilman Tom Fritz, First Ward.

Council also decided to hold its monthly meeting Jan. 6, instead of the second Thursday of the month.

Mullen, with his wife, Maureen, at his side, was sworn in as mayor last Monday by Luzerne County Judge Joseph Augello, former local district magistrate. Mayor and Mrs. Mullen, who reside at 192 Main St., have a son, Tyler, 7. Mullen is active in borough recreational activities and is a coach in baseball and basketball programs. He also has volunteered to improve recreational facilities and, in the past several months, he spearheaded improvements in the Avoca Youth Center, including the acquisition of new bleachers for the gymnasium.

Mullen is employed as a PG Energy serviceman.

Also at last week's meeting, council approved a 2003 tax anticipation bank loan of \$40,000 at 1.99-percent interest.

The loan in January will provide the borough with money until properly tax revenue arrives in the spring.

Council approved the payment by PENNDOT to Linde Enterprises in the amounts of \$39,101 and \$25,409 for the completed Main Street sidewalk replacement project.

Council approved a five-year contract with Berkheimer Associates to collect the borough's wage tax at a commission of two percent, a reduction of one percent.

Santa Claus will visit all grades in St. Mary's School, Avoca. Monday. He will distribute treats and gifts to each student. Class pictures with Santa will be taken. Cheryl Donnelly is coordinator.

A Pot of Gold program is under way at St. Mary's School with awards from Jan. 21 to June 21, 2003. Tickets paid in full by Wednesday, Dec. 18, will be eligible for a special award.

Louise Cherneski was elected to a two-year term as president of the Altar and Rosary Society, SS. Peter and Paul Church, Avoca. Others named are: Marie Gromada, vice president; Julie Satkowski, secretary; and Theresa Romanecz, treasurer.

The society will have no meetings in December and January.

The Avoca Volunteer Hose Company is selling Christmas trees at the hose house on Main Street. Cost is \$30 to \$35. The firefighters also are selling raffle tickets for a NYFD commemorative train set. A ticket can be obtained from any member of the hose company for a donation of one dollar.

Two residents apply to be Avoca's next mayor

Who wants to be the Mayor of Avoca? This will be the final week for anyone interested in serving as mayor to apply to Avoca Council for consideration for appointment to fill the current vacancy.

Council will announce the appointment at a special meeting Monday, Dec. 9, at 7 p.m. in the municipal building. In the event of inclement weather, council will meet Tuesday, Dec. 10, the final day allowed for council to act.

Applicants include Councilman Robert Mullen, 2nd Ward, a resident of 192 Main St., and former councilman John Robshaw, 1st Ward, a resident of Packer Street.

The office of mayor became vacant last month when James (Red) O'Brien resigned to accept another career opportunity.

Avoca Council will reduce the commission of wage tax collector, Berkheimer Associates, by 1 percent for the next five years. Berkheimer will be paid a commission of 2 percent. The current fee is 3 percent. The borough expects wage tax revenue to be more than \$240,000 next year. The new rate of 2 percent translates into a commission of \$4,800, a savings of \$2,400 each year for the borough.

At the request of Council Chairman Joseph Satkowski, the wage tax collector offered the borough a new five-year pact with the lower rate. Council is expected to adopt the agreement at a meeting Thursday, Dec. 12.

Chairman Satkowski stressed the importance of wage tax revenue. He explained, "we're landlocked," meaning it is difficult to raise tax revenue through a millage on real estate. "The wage tax keeps us going," he added. He noted that wage tax revenue is triple the money that the borough receives from property tax.

Avoca's annual Christmas parade is set for Saturday, Dec. 14, at 1 p.m. on Main Street. Business people who would like to participate may call 457-5267 to register.

Avoca Volunteer Hose Company will begin its annual sale of Christmas trees Monday, Dec. 2, at the hose house, Main Street.

The firefighters also will sell raffle tickets for a NYFD commemorative train set. A ticket can be obtained from any member of the hose company for \$1.

Avoca Seniors will have a Christmas party Tuesday, Dec. 10, at 1 p.m. in SS. Peter and Paul Hall

The contractor worked diligently last week to finish the sidewalk replacement project before Thanksgiving Day on the East Side of the 600 and 700 blocks of Main Street. Workers of Linde Enterprises completed the last section of concrete, which was in front of the municipal building.

Auxiliary to Veterans of Foreign Wars, Avoca, will have a Christmas dinner patty in the post home Saturday, Dec 7, with a cocktail hour at 6 p.m. and dinner at 7 p.m. Optional gift exchanges valued at \$5 and a raffle for a Christmas basket valued at \$100 will be held.

Democrats receive substantial support in Avoca Borough

Ed Rendell, Democrat governor-elect, received support of Democrat voters in each of the borough's three wards last Tuesday, even though he was trounced here by Bob Casey Jr. last May in the primary election contest.

In the primary, Avoca was "Casey Country." Casey beat Rendell here 613 to 134. But last Tuesday, Democrats were united behind Rendell.

Rendell on Tuesday received 632 votes for a plurality of 365 over Mike Fisher who tallied 267 votes. Rendell's ward totals were: 1st Ward, 224; 2nd Ward, 191; 3rd Ward, 217. Fisher's ward totals were: 1st Ward, 81; 2nd Ward, 82; 3rd Ward, 104.

Democrat stalwart in the 3rd Ward is Council Chairman Joseph Satkowski who observed that more than 100 Republican votes were cast on Tuesday in the 3rd Ward in the governor's race. He could remember when the 3rd Ward had only 11 Republican voters.

"A lot of people moved into the ward," he surmised.

Other Democrat candidates received greater pluralities than Rendell in Avoca.

State Sen. Robert Mellow received a margin of 555 votes as he out-pollled Frank Scavo, 706 to 151.

Congressman Paul Kanjorski was favored by a plurality of 419 votes as he recorded 666 votes compared to the 247 votes cast for Louis J. Barletta.

State Rep. Thomas Tighe, unopposed, received 799 votes.

St. Mary's Church, Avoca, will sponsor a shopping trip to King of Prussia Mall Saturday, Nov. 16. The bus will leave from the PNC Bank parking lot at 7:45 a.m. Anna Joyce is in charge of reservations.

SS. Peter and Paul Church, Avoca, will begin its annual fall pierogie sale Tuesday, Nov. 19. The cost is \$4.25 per dozen. Orders are being accepted.

Avoca Council will hold its monthly meeting Thursday, Nov. 14, in the municipal building following a 6:30 p.m. work session. The agenda will include final passage of the borough budget for 2003. A tax ordinance, retaining the current 22-mill property tax levy, will be initially presented.

The Main Street Sidewalk Replacement Project is nearing the finish line. Last week the contractor reached the end of the 600 block at Hawthorne Street.

With the completion of the project, merchants are planning a Christmas parade, hoping to line the new sidewalk with people attracted to the event.

SS. Peter and Paul Church on North Main Street also is replacing the sidewalk and stairs in front of the church.

Avoca Borough Council believes there will be enough time to sand the basketball floor at the Avoca Community Center after new bleachers are installed there during the first week in December.

The bleachers will be delivered later this month and installed on Monday, Dec. 2.

Avoca Seiiior Citizens will meet Tuesday, Nov. **12.** at 1 p.m. in the auditorium of SS. Peter and Paul Church.

Avoca's Main Street sidewalk replacement project set to begin

With the placement of "work area" signs, PENNDOT last week began the sidewalk replacement project on Main Street in Avoca. The signs, spaced at 1,500, 1,000 and 500 feet from the project area, warn motorists about the Construction in the thoroughfare's business district.

The new sidewalk, Phase 1, is expected to be completed in time for Christmas. The sidewalk on the east side of Main Street will be replaced in the 600 and 700 blocks of Main Street, between School and Hawthorne streets. The section includes the municipal building and the hose house.

The state awarded the sidewalk contract to Linde Enterprises for \$98,578. The project under PENNDOT's Traffic Enhancement Program was given a state grant of \$94,440 months ago, leaving the balance for the borough of \$4,138. In addition to the \$4,138, there will be a cost for inspection fees of \$14,786.40, resulting in a shortfall of \$18,924.40 for the borough.

Council decided to cover the \$18,924 shortfall by borrowing that amount from the grant to be earmarked for the replacement of the sidewalk on the west side of the 600 block of Main Street, when approved. Meanwhile, with the help of State Rep. Tom Tighe, council is asking for another state grant of \$18,924 to replace that amount for the west side project.

The project on the west side of the 600 block will probably be on the state's bid solicitation list in December or next August. The borough will have to wait for a Phase 3 grant to replace sidewalks on the west side of the 700 block.

Avoca Council will have a busy meeting Thursday, Oct. 10, in the municipal building following a 6:30 p.m. work session. Council is expected to present a tentative budget for 2003, retaining current real estate millage. Council is expected to set the annual garbage fee for 2003. An increase in the fee is anticipated because the collection contract for next year will cost more. Council also is expected to amend handicap parking.

SS. Peter and Paul Church, Avoca, will hold its chicken barbecue today in the parish hall. Serving will be from noon to 4 p.m. Takeouts, with containers provided, will be available 11 a.m. to noon.

St. Mary's School will have its annual harvest tea Sunday, Oct. 13, at 2 p.m. in the school hall. Tickets, available at the rectory, are \$12 each and include lunch and chances for many prizes. Sweet Charity Singers will entertain. The school will sponsor a flea market Saturday, Oct. 26, from 9 a.m. to 6 p.m. and Sunday, Oct. 27, from 9 a.m. to 4 p.m. in the school auditorium. Drop off dates for donations are Tuesday, Oct. 22, through Thursday, Oct. 24, 6:30 to 8 p.m. Acceptable items include kitchenware, picture frames, small furniture and appliances, jewelry and toys.

Avoca Senior Citizens will meet Tuesday, Oct. 8, at 1 p.m. in SS. Peter and Paul Church Hall.

Beatrice (Bea) Babkowski was honored at a dinner at the Fox Hill Country Club for 20 years of service in the religious education program at SS. Peter and Paul Church. Avoca Council has agreed to accept roads in the Laurel Hill Development, 3rd Ward, on recommendation of Paul Pasonick, borough engineer.

Pasonick informed council that all items in the housing project have been completed and are acceptable. The roads include Church Street, Costello Circle and a storm water detention basin.

Pasonick also informed council he met with Frankie DeEsch, project manager for Quail Hill Development, concerning storm water affecting residents of Gedding Street, West Avoca. Pasonick said he was told plans have been prepared for correcting the storm water problem. The storm water has flooded yards in West Avoca because the water did not follow a ditch into a detention basin.

In other matters, the new bleachers for the Avoca Community Center have been ordered.

Also, council voted to add \$1,000 to the cost of the Main Street Sidewalk Replacement Project by including the asphalt area between the sidewalk and side driveway at the Avoca hose house.
